A whole plastic repair line

2 YEARS GUARANTY EXTENSION out of France

When you purchase your STARFINISH, you entitle one year guaranty that terms are included into the "Guaranty document" joined together with the device.

You can from now on not only expand it but also enlarge the services for a small amount. Extension guaranty cost will change depending on country. Please contact us by following the steps 1 and 2 here above to get an offer.

GET UNTIL 3 YEARS OF EASY MIND!

By choosing the Guaranty extension you benefit the following advantages:

- Technical assistance through specific Email
- Your tool repaired in case of failure including battery
- Call conversation for a better diagnostic.
- The tool pick up at your place including transport cost
- Parts and manpower included
- Return transport.

How to proceed to get guaranty extension Proforma

To enlarge your guaranty from 1 to 3 years you must:

1. Go on www.mix.fr website, click on guaranty link, fill the form and check the box « ask for guaranty extension »
2. You will receive a Proforma invoice together with the contract. Your guaranty extension will be active after full payment and contract signature.
